Discussion Items

1. Formation Update

Vicki indicated she met with the Formation teams, children, youth and adult, about the upcoming year. They prepared a formation survey to see what the parish wants

presented as well as the best formats and times. The congregation will be encouraged to take the survey over the next few weeks.

2. Stewardship Campaign

Julia indicated the team had met with the former chair of the Stewardship Campaign, Jay Wilcox. He turned over his notebook which was very complete and laid out a roadmap for the current team. Cheryl shared the Diocese's theme for this year. Julia indicated there would be a meeting next week to begin the process of making decisions for the dates of the campaign as well as format issues.

3. Proposal to Publish Vestry Agenda Minutes

Mark brought forward a proposal to publish the Vestry minutes so that the congregation is able to read what the Vestry is doing. There was unanimous support for the proposal. The decision was made to start with the July minutes as that was the month being approved at this meeting.

Following a motion and second, the proposal was adopted.

The meeting was adjourned at 8:10 PM.
