

EPIPHANY STAR COLORING PAGE

Materials:

- Epiphany Star Coloring Page
- markers/crayons/colored pencils
- scissors
- tape
- glue
- a stick (or a straw, dowel, thin marker, popsicle stick, etc.)

Directions:

- Color and cut out both stars.
- If you want to add embellishments, tape some ribbon to the back side of one of your stars or to the stick.
- Tape a stick (or a straw, dowel, thin marker, popsicle stick, etc.) to the back side of one of your stars.
- Glue the back sides of both stars together.

Additional ideas:

- Add *star words* to your stars: <https://www.presbyterianmission.org/story/pt-0121-epiphany/>
- Wave your stars in your Epiphany service or Sunday School (on Zoom or whatever platform your church uses for worship)
- Tell the story of the magi traveling to meet baby Jesus, found in Matthew 2:1–12. If you purchased our *Do Not Be Afraid: A Virtual Christmas Pageant*, you could even use the script from Scene 10. Consider splitting up lines and having a reader's theater including some repeat-after-me lines or narrated actions so everyone can participate.

Be sure and tag us on social media! We're @illustratedmin on most platforms, or you can use the hashtag #illustratedministry.

Enjoy!
